Thank you for offering to help with the church cleaning. If you are unable to help on your day, please find someone else to take your place.

In an emergency, please contact the parish office.

What is involved?

Dust, vacuum and check for cobwebs in the Sanctuary, the side chapels, the main body of the church and the Narthex.

Please also remember the statues, the window ledges and the pews. If time permits, the choir Loft should also be dusted and vacuumed.

If you require any cleaning materials, please contact the parish office on 873205

Unfortunately, one group has had to drop out from the rota which means that each group will be cleaning every four weeks. We will try to get more volunteers and hopefully we will be able to make up another group before too long.
