# Fifth Sunday in ORDINARY TIME

*He cured many who suffered from diseases of one kind or another*

This world, as we know, is a fragile and fallible place, in which we encounter hunger, disease, sickness and death. Jesus proclaims, by his actions of healing, that there is another world, the Kingdom of God, which will be free from all such anxieties and afflictions. The story of Paradise and the Garden of Eden painted a picture of a world which was perfect, and free from all problems. Jesus came into the world precisely to offer us a return to Eden, if we follow him. Each of his miracles is also, in some sense, a parable or teaching, pointing out to us something of the lost happiness and perfection which he is restoring. This vision of Paradise is not Utopian or delusory, not just a vain hope to comfort us with, but the true manifestation of God's love for us. Jesus could not cure every disease or sickness in the world then: but his miracles of healing are a sign that one day, when the Kingdom comes, sickness and disease will be wiped away for ever.

### Education Sunday

Today is Education Sunday and there will be a second collection for the Catholic Education Service. CES supports our Catholic schools in so many ways. It negotiates, on behalf of our Bishops, with Government and other national bodies on legal, administrative and religious education matters, in order to promote and safeguard Catholic interests in education. Your money supports them in all they do to support our Catholic schools.

### Help for Father Maurice

We would like volunteer drivers to help transport Father Maurice to a day centre in Weston super Mare twice a week: Tuesdays and Fridays 10.30am and 3pm. The more volunteers we have, the less onerous the commitment. Do please contact the Parish office or one of the priests if you can help.

### This Week's Expenses

In conformity with the new revised laws on playing or recording music in church or church halls, we have purchased an annual licence at the costs of £388.34. This will cover us not only for any recorded music that we play but also any printed music or lyrics that we produce. Your Sunday contribution pays for this very necessary facility. Thank you.
